- The owners must be insured in civil liability for their pet, they are therefore liable for any damage caused by their pet during the stay at the pension, unless recognized serious fault attributable to the custodian of the pension. Repurchase agreements do not result in a pure and simple transfer of responsibility. Destructions, with the exception of green spaces, noise or dirt (urine, stools, blood of heat etc.) inside the building will be the subject of an additional invoice to the owner.
- Although each and every animal is the object of our care and attention, we can not be held responsible for any prejudice or loss during their stay, as a result of illness or any other cause.
- Your dog must be vaccinated and up to date in all their vaccinations, including **kennel cough**. **If the dog is not vaccinated against kennel cough the kennel will not be held responsible should they catch it whilst being boarded.**
- **Your dog must also have been treated for fleas, ticks and worms before their stay.** The kennel can not be held responsible if your dog has any parasites after their stay, if this happens, it is most likely that the treatment has not worked.
- When your dog arrives, you must hand us their passport and/or health card, which we will hold until your dog leaves.
- Any expense incurred during your dogs stay, such as vet bills and/or the purchase of medicines, shall be paid by the owner.
- Beauséjour des 4 Pattes reserves the right to refuse any animal which proves to be ill or infectious.
- You can contact me at any time to see how your dog is doing and to extend their stay (if we have space).
- **There will be no reductions or refunds if the stay is shortened. Any cancellation must**

be made at least 10 days prior to the first day of the stay otherwise the cost of the full booked stay will be invoiced.

- In the event that the dog is not picked up by its owner within 7 days after the scheduled date, the kennel reserves the right to feed and look after the dog, however all expenses will be billed to the owner.
- Without news from the owner within 7 days after the scheduled date, Beauséjour des 4 Pattes reserves the right to hand the dog over to the SPA.
- In the event of the death of the animal during their stay, an autopsy will be done to determine the cause of death. A report will be prepared by the vet and an attestation will be given to the owner, **the cost of which will be paid by the owner**. However, we will not do an autopsy on any dog over the age of 10, unless asked for by the owner.
